Our Alma Mater

To our school we pledge allegiance,
Dear old Pelier High;
We will love our Alma Mater,
Never will it die.

Oh Montpelier, oh Montpelier,
School so tried and true;
Loyalty we give as ever,
To the White and Blue.

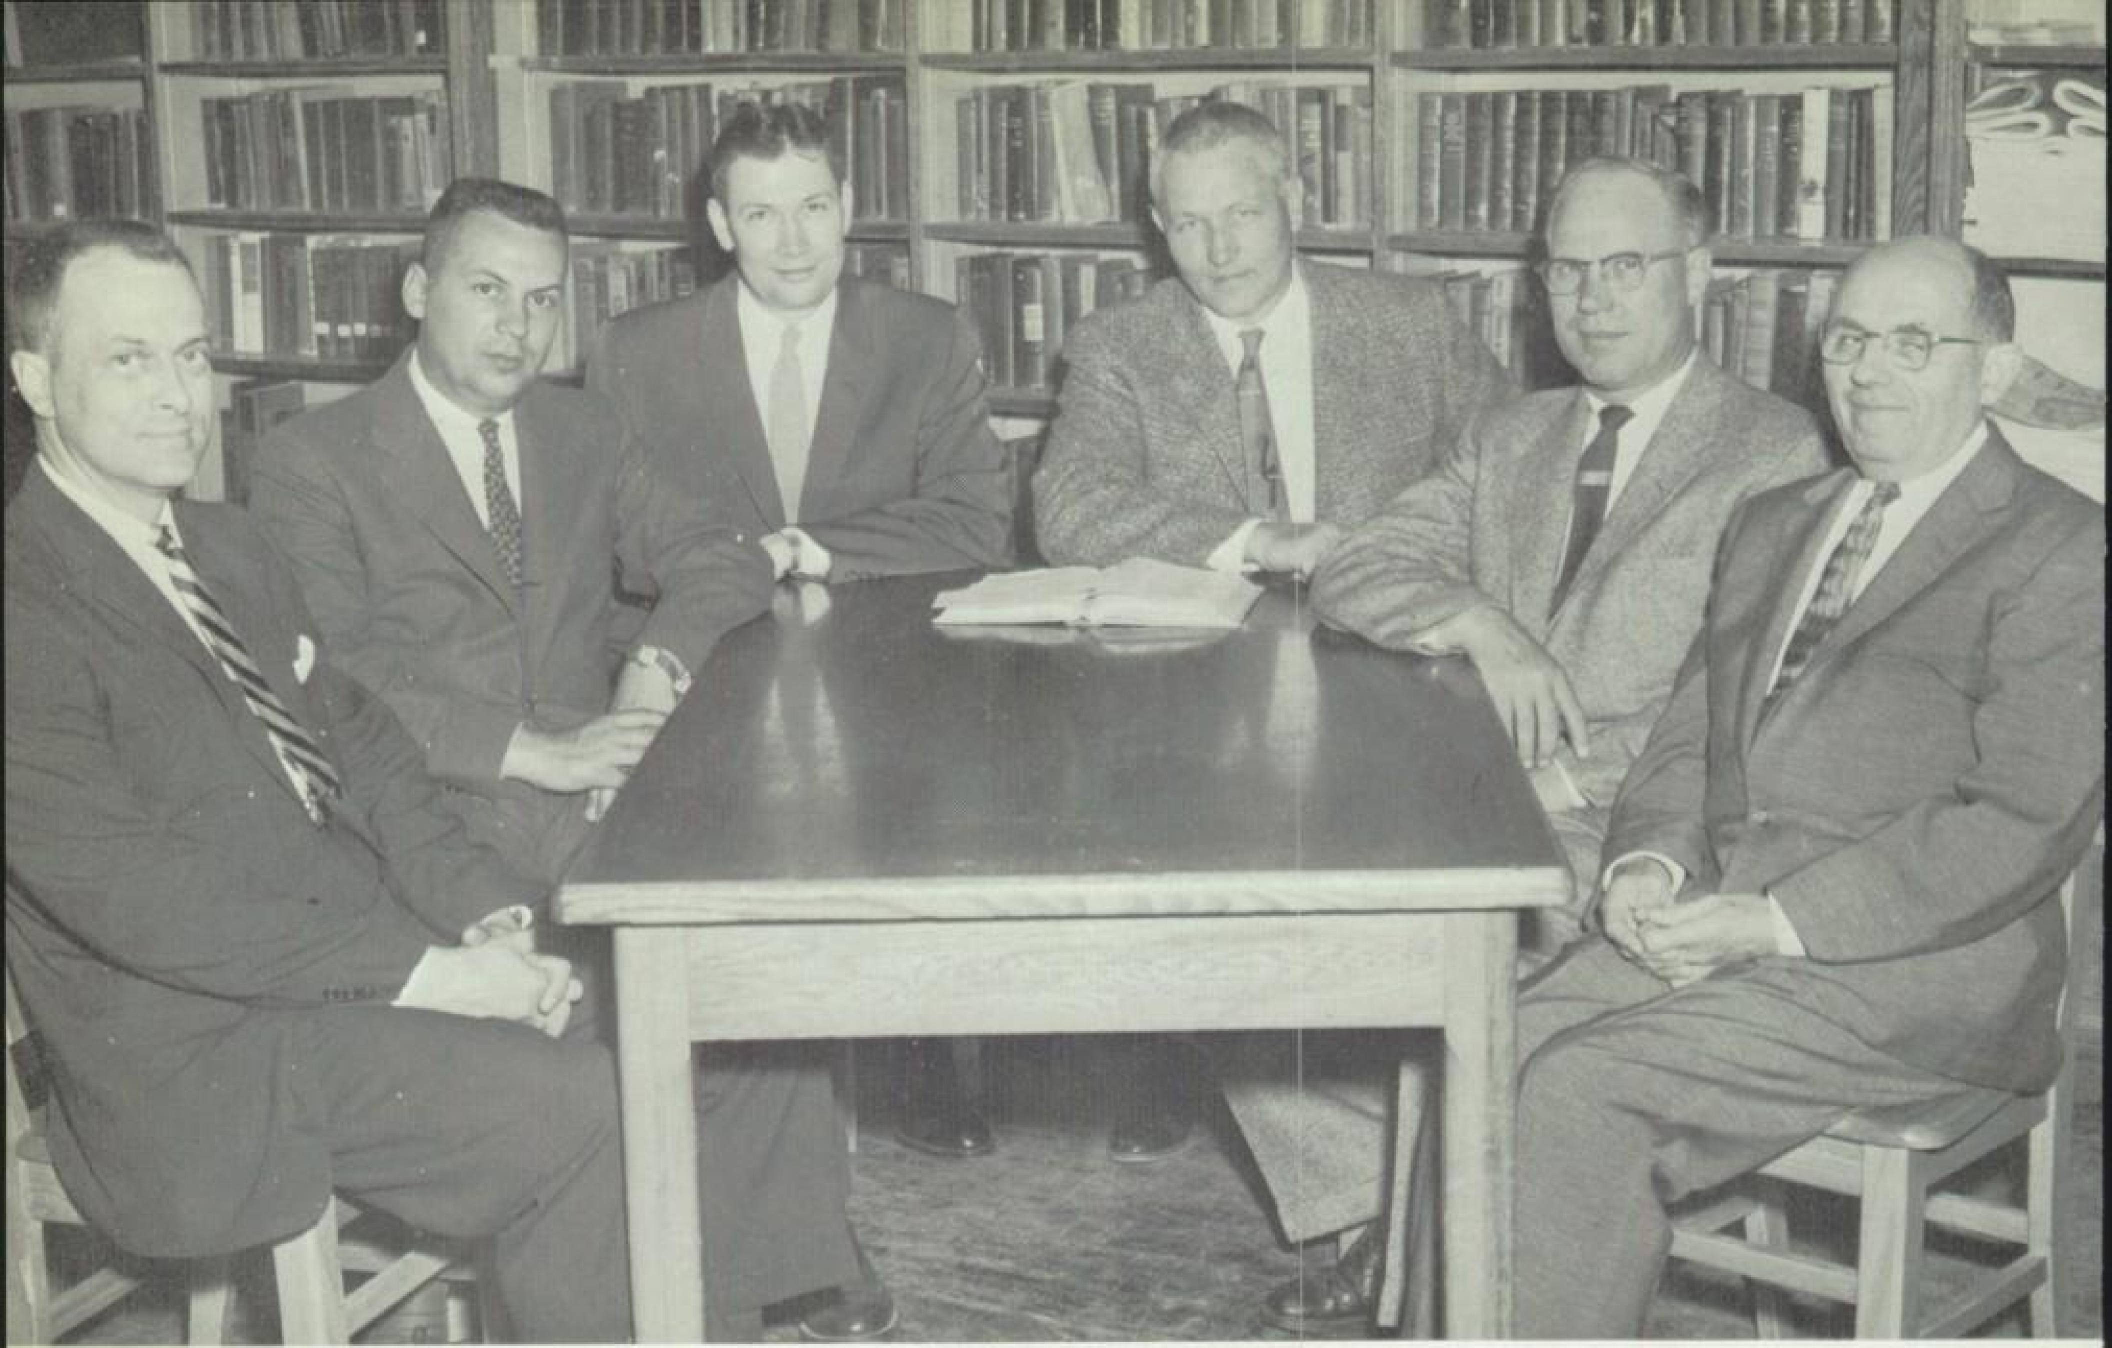

Dedicated

It gives great pleasure to the Class of '58 to dedicate this, the nineteen hundred and fifty-eight Mirror, to a man who has had much to do in guiding us through school. He always has a smile and a friendly "Hi" to everyone no matter how busy he is. The interests of the students are his also. He has served Montpelier High School many years, and the Class of '58 would like to say "thanks," so that in some small way we can show our appreciation, by dedicating this volume of the Mirror to our principal, Mr. Harold A. Karnes.

Government Day

The Seventh Annual Williams County Senior Government Day was held April 18, 1958 at Montpelier High School. It is sponsored by the high schools of Williams County and Hillsdale College. The day began with a meeting in the gymnasium. There was a welcome address given by the Senior Class President of Montpelier, Bob Bauer. Following this was the introduction of the resource people. There were brief talks and a town meeting discussion. The group went to the elementary school cafeteria for lunch. After lunch the students attended various section meetings.

The sections were:
Conservation and Agriculture
Corrective and Mental Institutions
Education
Highways
Judicial
Law Enforcement
Legislation
Nominations, Elections and Political Parties
Problems of Employment
Recreation and Juvenile Problems
Taxation and Finance

After these section meetings, everyone returned to the gymnasium for a general meeting. There was a summary of discussion meetings from each section and a few closing remarks.

Dr. Lawrence J. Taylor of Hillsdale College acted as Master of Ceremonies. These Government Days are largely the effort of our Government teacher, Mr. Floyd Barcus.

Football Story

August 20 was the end of easy living for forty prospects of the football team. The first two weeks were sheer torture, but 35 survived and we were ready to play our first game of the season.

Defiance - It was a long evening for the Locos, but after trailing for three quarters, they came out on top by beating a strong Defiance team, 26-20. This was the first victory over Defiance, by the Locos in eight years.

Napoleon - After beating Defiance the previous week, the Locos were a confident bunch. This was disastrous. The Locos dropped their second game of the season to the strong Naps.

Liberty Center - With a one and one record Montpelier journeyed to L. C. After playing a game of penalties, the Locos pulled this game out of the fire with a 6-0 score. The Locos looked nothing like the team they were.

Swanton - As soon as Montpelier got their hands on the ball, Swanton was out of the game. The Locos were power-packed that night and it seemed they could do nothing wrong. The score, 40-12.

Delta - After a convincing win over Swanton the week before, the Locos just couldn't click when they met Delta away. We were given a sound drubbing. After the playing of this game, we had a 3-2 record.

Wauseon and Archbold were repeats of the Swanton game. The Locos couldn't be denied and they chalked up two more victories.

Paulding - The best team to ever come out of Paulding High School met the Locos on a cold, wet, and miserable night. With only 6 points being scored on them all year, Paulding was playing for keeps. The Locos played hard, but they could not stop this big maroon team.

Bryan - The big game between Montpelier and Bryan was postponed until the end of the season. In Montpelier, it would have been just as well if it would have been postponed indefinitely. Montpelier wasn't even in the game. The Locos returned home feeling pretty low.

For the first time in a long time Montpelier had a winning team with a 5-4 record. Good Luck to the coach and the team of 1958.

Basketball Story

During the past season Coach Peirano's basketball squad, although losing the majority of their games, played some very interesting basketball.

At the start of the season the Locos just didn't seem to jell. This was caused primarily because of a prolonged football season due to bad weather and the team did not have sufficient time to practice. But as the season progressed the team showed marked improvement. There were several games in which the outcome was in doubt until the last few seconds of play. The high light of the season was the Locos surprise upset over Swanton who had been undefeated in league play up to that game.

The following is the record of the 1957-58 basketball season:
